HPDE Hydraulic Hose TFDE Industrial Tube Fittings Basic Product Training

Yossi Shapira

L.Y.A Co. Ltd.

participated in a basic product training and acquired theoretical and practical product knowledge for hydraulic hose and fittings of HPDE and Industrial Tube fittings of TFDE product range.

The training includes: main features of hose and fitting construction; key aspects for product selection; the most important international standards and how to make a proper hose assembly with Parker Parkrimp machines.

Technical Service Fluid Connectors

aerospace
